

WINE CELLAR PACKAGES

Here's how the wine packages work:

Choose a package that suits you best: the "Cellar No 1" or the more premium "Cellar No 2 Choice" or the Cellar Master's favorite "Cellar No 3" and advise your Wine Attendant accordingly. Select your bottles at any time, or pre-order for the following night. Unfinished bottles will be cellared for you to be enjoyed at your leisure, or can be delivered to your stateroom. Any unopened bottles of wine may be taken with you to be enjoyed at home. Holland America Line's onboard value booklet and Mariner Loyalty Discount can be used in conjunction with the packages.
